Dear Archie,

On behalf of the hundreds of women and children Peace at Home Family Shelter serves every year, thank you for your donation of \$3,000. Your donation supports the services and programs Peace at Home Family Shelter provides to victims of domestic violence in northwest Arkansas.

As you may know, Peace at Home was the first women's shelter in Arkansas and one of the first in the nation. It was founded in Fayetteville in 1977 as the Project for Victims of Domestic Violence, and in its thirty-year history has helped thousands of women in Northwest Arkansas find the safety and support to create new lives for themselves and their children. Peace at Home provides programs and services to women and their children in Washington, Madison, Carroll and Benton counties.

According to the Arkansas Coalition Against Domestic Violence, in 2006 Arkansas was ranked 8th in the nation for incidents of domestic violence. In 2007, 31 women in Arkansas lost their lives to domestic violence. Peace at Home's mission is to END family violence through support services, prevention and education. We will need your support to achieve our mission.

Thank you, once again, for your very generous donation. I hope we may count on your continued support of Peace at Home Family Shelter in the future.
